

To build your kingdom heroes deck, you need 60 cards in total. This page will contribute 4 cards towards your 60 card deck.

Remember, you cannot have more than 4 of the same card in each deck.

For more card options or to look at available products, visit - [www.kingdomheroesgame.com](http://www.kingdomheroesgame.com)

Print from any household printer in A4 portrait

Cut out the 4 cards

insert into card sleeves (can buy those online)

Add stock card into the sleeve behind the image
